

*Frosty Winter.  
Warmth of  
Family.*

17 inches of snow  
with more to come

Taylor's family visited  
in November

Moriah's family visited  
in December

**Dear family & friends,**

Thank you so much for your prayers and support of our family as we serve the Lord at Moody Aviation. We are very blessed to have each and every one of you standing with us!

Since our last update, we had the privilege of having both of our families visit us in Spokane. Truth be told, they came for Corban—not for us! It was such a blessing to have the Nageli's here for Thanksgiving, and the VanderMark's for Christmas. Corban is the first grandchild for both of our parents, and it was so much fun to see the joy that he brought them! What an incredible blessing!

**Corban is now 6 months old** and learning all sorts of new things. It seems like just yesterday that we were bringing him home from the hospital and wondering how in the world we were supposed to care for a little baby! Each day is a treasure with our precious son. Moriah is grateful to have a job that she can do from home so she can spend each day with Corban.

**NAGELI**  
Aviation Missionaries

We are currently living in Spokane, WA where Taylor is a flight instructor at Moody Bible Institute's Aviation School. We are humbled and blessed to be a part of training future missionary pilots.

These aviators will eventually transition to overseas missionary organizations, where they will daily traverse some of the world's most forbidding terrain to bring bible translators, pastors, medicines, supplies, and sustenance—all with the love of Christ—to the ends of the earth.

When our work of instructing at Moody is complete, we hope to join these former students, and take the Gospel where aviation is often the only way to access, to connect, and to sustain ministry beyond where the roads end.

Training the **NEXT GENERATION** of missionary aviators.

The Staff at Moody Aviation

## As you all know, 2018 was a very difficult year

for us personally- as well as the entire Moody Aviation family. On July 13th, we lost three amazing men (Diego, Austen, Andrew) in a tragic plane crash. Our hearts are still heavy as we process this loss. Please pray for Naomi, Yuki, and Rebecca as they continue walking through this tragedy with their families. Naomi and Yuki were both pregnant at the time of the crash and have both recently given birth to beautiful, healthy little girls.

The second week of February, Moody Bible Institute hosted their annual Founder's Week Conference. All three men: Diego Senn, Austen Lee, and Andrew Trouten were honored by receiving the Moody "Alumni of the Year" Award. It is a very significant honor and a testament to each of their characters.

*blessings to you,*  
**Taylor & Moriah  
& Corban**

This term at Moody, Taylor has the privilege of working with three young men as they pursue both their instrument rating and commercial certificate. Joel, Walton, and Jonathan have been at Moody for four-and-a-half years now and are in the home stretch of their studies. Please pray for them as this last term is often the busiest and hardest of their entire time here. It is a joy to be a part of these young men's lives and to see them working hard to gain the skills that they will use to serve the Lord faithfully!

Moriah and I have been at Moody Aviation for long enough now that some of our original students have graduated and are joining mission organizations! This is really exciting for us! We cannot wait to see how God is going to use their lives as they pursue Him and a life of service to Him. AMAZING!
