

GLORY TO GOD IN THE HIGHEST, AND ON EARTH PEACE, GOODWILL TOWARD MEN. LUKE 2:14

Dear Family and Friends,

We would like to thank you for your prayers for our recent trip to Zambia the beginning of November. Here's a short update on how your prayers were answered.

One of the requests was the safe arrival of our luggage to Zambia which contained the five cylinders and kits we needed to fix the aircraft. All the bags arrived in good shape and we had no problems clearing them into the country.

We had planned for two weeks to do the top overhaul on the engine but managed to complete the work by the end of the first week. This was mainly due to the help of Mark Gratton, who was in Zambia to see the aviation mission work. Mark graduated in maintenance from School of Mission Aviation Technology in May. He and his family were in Zambia for a few weeks to determine if the Lord was leading them to serve here in the near future.

As we mentioned in our last letter, plane we were working on belongs to another mission called Mission Flight Services. They operate two aircraft serving the Brethren missionaries in the northwest part of Zambia. We were able to do a few other repairs on both their aircrafts and complete an inspection on another airplane for Flying Mission during our second week there.

While I was kept busy in the hangar, Sue was able to deliver a vehicle to the MICS school in Macha and encourage the teachers working there. The 7th graders (last year students at the school) are usually rewarded with a flight up and around Macha at some time near the end of the year. When the plane stopped at Macha to pick up Sue, they took time to give the students and teacher their rides!! The following week the students completed their exams and had a graduation ceremony. They have completed their education at MICS and will go on to secondary school starting in January.

Thanks again for partnering with us! God is so amazing and it's a wonder that He lets us be a part of His work here on earth. What a privilege!

Have a Blessed Christmas,

Joel and Sue
