THE NAGELIS

Dear Family and Friends!

Thank you for your generous support and faithful prayers over the past several months. It is so encouraging to know that we have you standing behind us and lifting us up to our Heavenly Father. We are so very grateful for each and every one of you!

As you can probably imagine, the last few months have been somewhat chaotic. Let me begin by updating you on our future plans. We had hoped to move to the St. Louis area several months ago, to begin transitioning into a job with a small airline. God had different plans for us though! As the pandemic began to unfold it became clear that our hopes of starting work at the airline were not realistic. Thankfully, Moody Aviation needed some extra help for the next school year, and they allowed us to stay on staff and continue our ministry. We are exceedingly grateful for God's provision and for the opportunity to continue serving the students of Moody Aviation! Our hope is to stay at Moody through the summer of 2021 and then move to St. Louis. There is still so very much that is "up in the air," but we know that we can trust our great God to guide us on our journey.

One of my tasks during this fall semester was to work with the graduating class to help them finish their training. We had been required to pause for over month and so they were all quite far behind. Thankfully, I was able to help each of them finish up their training! Please pray for them as they step out into a challenging world. Our desire is to see them flourish as ambassadors for Christ wherever he may send them! This class has been through so much, having lost two of their classmates and one of their instructors in a plane crash in 2018, and I am so blessed to have been able to see them all the way to the finish line of their time at Moody Aviation.

October 2020

TRAINING THE NEXT GENERATION OF MISSIONARY AVIATORS

We are missionaries with Proclaim Aviation Ministries, currently living in Spokane, WA where Taylor is a flight instructor at Moody Bible Institute's Missionary Aviation School. We are blessed to be a part of training future missionary pilots.

These aviators will eventually transition to overseas missionary organizations, where they will daily traverse some of the world's most forbidding terrain to bring bible translators, pastors, medical aid, supplies, and sustenance—all with the love of Christ—to the ends of the earth.

family

MORIAH. Moriah has continued working a part-time job for an online Christian school. She is not only an amazing woman, mother, and wife, but also an exceptionally gifted teacher. I am beyond blessed to have her in my life! Please pray for her as she tries to keep up with Corban and his boundless energy.

CORBAN. Corban is over two years old now! Time really does fly. He is such a blessing to Moriah and me, and there is not a day that goes by that we don't thank God for giving him to us. Over the past several months his vocabulary has exploded, and he loves talking to us. It is so much fun to watch him explore the world and see the child-like wonder in his eyes!

FAMILY VISITS. We have been blessed to have our families come visit us this summer. We were able to have both of Moriah's brothers, her mother, and my parents come for a visit. It is such a blessing for both of us to have such wonderful, loving, and supportive families! Although, truth be told, they all came to see little Corban far more than to see us.

A NEW BABY. Yes. We are having another baby!! We are so excited and thankful to be adding another member to our little family. The baby is due on April 9th, 2021. Please pray for continued strength and health for Moriah and the little one.

“*For as the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than you thoughts.—Isaiah 55:9*”

I share this verse with you, as I have been reminded of it on many occasions over the last few months while I have wrestled with changing plans and the disappointments that are inevitable in this life. God is always at work accomplishing His purposes for His kingdom. He is always in control even when we can't see it. He is God, and His way of doing things is always the best. While I write these words, I confess that I still struggle to trust Him. I invite you to join our little family as we learn to trust our Heavenly Father each and every day.

Blessings, *Taylor, Moriah, Corban & the little one*
