BEN & AMBER | Aviation. How we sustain ministry at the ends of the earth.

Dear Ministry Family

This has been a crazy time for our nation, and our world. Every day it seems a new catastrophe unfolds. With chaos often comes doubt. And Doubt's friend, Fear, is never far behind him. However, we need not fear. Being the loving Savior that He is, Our Lord probably smiles to Himself when we begin doubting; thinking to Himself, "Just you wait and see what I have planned little ones!"

proclaim aviation ministries

As we've shared before, Amber and I have joined a ministry called Proclaim Aviation. Proclaim helps missionaries get to the mission field by providing opportunities and resources to develop ministry partnerships, and gain the additional professional experience required for overseas aviation ministry. Proclaim loans its members as flight instructors, pilots, and aircraft mechanics to schools like Moody Aviation.

Through Proclaim, we are on-loan to Moody Aviation in Spokane, where Ben officially started on November 16 as an aircraft mechanic in Moody's maintenance shop. During his first few days, he helped with an inspection of one of the training aircraft by examining flight control components, replacing a bad nosewheel tire, paperwork, and other maintenance tasks. All his efforts keep the help Moody train the next generation of missionary aviators.

For those who agreed to support Amber and I spiritually and financially, we cannot thank you enough! We are so excited to serve the Lord at Moody and beyond and are abundantly thankful for all of you who have partnered with us.

WE ARE AVIATION MISSIONARIES

WE ARE CURRENTLY LIVING IN SPOKANE, WA SERVING WITH PROCLAIMAVIATION MINISTRIES WHERE BEN IS AN AIRCRAFT MECHANIC AND AMBER IS A FLIGHT STUDENT AT MOODY BIBLE INSTITUTE'S MISSIONARY AVIATION SCHOOL. WE ARE BLESSED TO BE A PART OF TRAINING FUTURE MISSIONARY PILOTS WHILE WE PREPARE FOR OUR OWN EVENTUAL OVERSEAS MINISTRY.

MISSIONARY AVIATORS TRAVERSE SOME OF THE WORLD'S MOST FORBIDDING TERRAIN TO BRING BIBLE TRANSLATORS, PASTORS, MEDICAL AID, SUPPLIES, AND SUSTENANCE —ALL WITH THE LOVE OF CHRIST—BEYOND WHERE THE ROADS END. WE ARE PART OF THIS EFFORT SUSTAINING MINISTRY AT THE ENDS OF THE EARTH.

amber's training

Amber has done extremely well this semester and is beginning to wrap up the last few weeks of her flight training. Although her flights have been completed for this term, she still has ground school every day, and frequent tests.

The highlight of her semester was the Extended Cross Country ("EXC") which we mentioned in our last letter. Amber's EXC consisted of a week in the Idaho backcountry, and a week in Southern California, Utah, and Arizona. She had a blast! Additionally, Amber got to interact with airspaces and runways she was not familiar with, boosting her experience and confidence. The peak of the trip was of course getting to eat at In-N-Out

pray.

That Ben would quickly get the hang of working as a production mechanic, and that he would be a blessing and an encouragement to the students he interacts with at Moody.

That Amber would finish her last classes strong.

Praise that Amber's parents and brother are recovering from their COVID-19 infection!

Praise for the financial provision the Lord has brought!

holiday plans

As long as state and federal COVID restrictions allow, we plan to be in Cascade, Idaho for Christmas, then heading to Georgia to visit from December 26th – January 1st.

the Holy One, our rock

In times of insanity, the steadfastness of our Savior is so clearly seen. The Scriptures tell us that "There is none holy like the Lord: for there is none besides you; there is no rock like our God." Truly, Yahweh is our Rock. **It is our prayer for you during this time of hardship, loss, confusion, and panic, that you would cling to the One who cannot be moved.** We also pray and that others will see your life as a light in a dark place, and that when they ask, they will find it is the Gospel of Christ that lights your lamp.
