

“But encourage one another daily,...” Hebrews 3:13

July 2022

Dear Family and Friends,

Spring came and went a bit differently this year, but not sure there is a Minnesota ‘normal’ to weather! However, summer is here with some nice 90°F days, mosquitoes, hot dogs, and corn in the fields that’s “knee high before the 4th of July”!

Three fun updates!

1. Ethan proposed to Jordan Nerney and she said yes! Their wedding will be September 17th in Raleigh NC. We are excited to have Jordan join our family. She is fun, clever, great for thought provoking conversations and enjoys jokes.

2. Tom and Nancy Armstrong (Joel’s first apprentice here at Proclaim) have started working with MARC (Mission Aviation and Repair Center) in Alaska. They drove up through Canada and had an uneventful trip. Joel was able to go and see them and bring a few things they weren’t able to take on the road trip! We are excited for them to settle in the place the Lord has called them to work. Brings back memories of when we first went to Botswana in 1990. It is encouraging to look back and see how the Lord has provided for us and now to see Him provide for them as they start out.

3. We get to go help at Flying Mission Zambia in August! Joel will probably be doing most of the mission flying while the other pilots work on the animal survey for the WWF (World Wide Fund for Nature) and Zambian government. This is Joel’s favorite kind of flying as he gets to visit the mission stations, see our friends, and meet the new folks who have arrived in the past 3 – 4 years.
