

Happy New Year - 2023!!

“Let us hold unwaveringly to the hope we profess, for He who promised is faithful. And let us consider how we may spur one another on toward love and good deeds.” Hebrews 10:23-24

Dear Family and Friends,

Thanks to so many of you who sent Christmas greetings via emails or cards! Fun to catch up and know what’s happening in your lives. We enjoyed our son Caleb being able to join us for Christmas and were glad that the airline flight chaos of the season didn’t really affect his travel, other than a one-day delay in Charlotte.

We are headed to Zambia next week, January 11th returning on the 9th February. Joel will be helping with an engine change on the Cessna 210. Amazingly – the engine was shipped around December 22nd and has already cleared customs and is waiting in the Flying Mission hangar in Lusaka!

Engine crate in the hangar.

Cessna 210

We have an ongoing pile of boxes that arrive with the intent of taking the contents to Zambia.... aviation parts, tools, fuel filters, etc. This next week we will be spent packing and Joel will try to get things to a point in the hangar here in Minnesota to where he can leave without too much trouble!

This is a nice time of the year to go to Zambia as daily high temperatures are in the high 70's, low 80's F and the evenings cool off into the 60's. It rains for a bit each day. We really don't mind missing a few weeks of MinneSNOWta winter 😊.

“Grace and peace be yours in abundance through the knowledge of God and of Jesus our Lord.” 2 Peter 1:2

Thanks for your friendship, prayers, and support.
Love,
Joel and Sue
