

SPRING 2024

A SEASON OF BEGININGS

Grace has been seeing clients and Kyle is preparing to fly again!

THANK YOU FOR YOUR SUPPORT!

During the past three months I (Kyle) have been seeking to tell people about the ministry happening around the world through aviation and our role in helping make that happen. I have been so blessed by the love and support from so many of you as I share our passion for aviation ministry and seeing people transformed by the love of Christ and going into the world to make Him known. God is moving in powerful ways and it is a joy that we get to partner alongside Him in what He is doing. We have been so blessed by those of you who are supporting us and joining this same ministry in prayer and financial support. No ministry happens alone as we need to whole church to make it happen. We thank all of you who pray for us as we seek to live for Him and serve Him. And another thanks to those who partner with us financially as this ministry is only possible through your help. I am excited to welcome many new people to our team in this season and hope our partnership can be encouraging and point you to Jesus.

*Getting Prayer At Calvary Chapel Lompoc

Prayer Requests

- Wisdom as Kyle begins training and standardization at Moody
- Wisdom and strength as Grace is continuing to see clients in therapy
- Us to be fully supported as we focus on our ministry

GROWING IN EXPERIENCE

I (Grace) have been seeing clients now for the past two months and have loved every minute! It is such a blessing and honor to have the opportunity to be the hands and feet of Christ in this way. It has been challenging learning how to balance meeting with clients, completing schoolwork, and being present for my husband and community but it is evident that God is working to grow me to meet my challenges. I still have another year of schooling before I can become licensed as an associate but I look forward to learning everything God has to teach me on the way.

ALMOST FUNDED ENOUGH TO START AT MOODY!

I (Kyle) have postponed my starting date at Moody by two weeks because we do not have enough monthly donations as of writing this. Our goal is \$5,000 a month and we are just around \$2,000 a month. Once we reach 45% funded I will be able to start at Moody. We are almost there! I am so excited by seeing God provide in ways I never would have expected and am deeply humbled by everyone's generosity in support of this ministry God is doing. I am blessed that I get to be used by God in this way and am excited to see all the ways that God will continue to use this ministry to impact the globe for Jesus. If you have not supported us yet, every amount helps.

The students at Moody I will be working with have just transitioned from the simulators to the aircraft. In this stage of training they are getting used to flying in the real world and safely handling all the variables that come up. When I start with them I will be preparing them for the private pilot test which is a huge stage in their training and takes lot of work from both the student and instructor.

**“I look up to the mountains—
where does my help
come from there?
My help comes from
the LORD,
who made heaven
and earth!”**

PSALM 121:1-2
