Stipping a Plane!

Hunter was able to go with the Redeemed Flying Corps (RFC) to an organization in Missouri called SOAR. SOAR has helped the RFC with a number of things including check rides so it was awesome to serve them through the tedious task of paint-stripping their 172.

First Southern Mission Fair

We were also able to serve during the mission fair at our church! We led a group around to each country and ended at the tools of mission work. Matt's room was the coolest room

Happy Thanksgiving!

We hope you had a great Thanksgiving! We did!! Things we are thankful for: Jesus and His sacrifice, family, and food... lots and lots of food.

Aww, Us!

Prayer is powerful! We are talking to the One that created EVERYTHING and He wants to listen to us! How incredible it is to have such a beautiful relationship with the King of kings! "But when you pray, go into your room, close the door, and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you." Matthew 6:6

Prayer Requests

Moving Cross Country

We went with a moving company that fit our needs. We pray that we are able to move out of our apartment in time before training starts at Moody Aviation! Hunter and I are driving to Spokane. Pray that things go well on our 25-hour drive!!

Family Time

Christmas is a hectic time! Pray we find time to meet with all our family before the move! Pray that our families come to a complete understanding of the mission work we will accomplish. Finally, pray for them as it is a happy but emotional time.

Rest and Strength

Hunter and I have a lot to do this month! Family, friends, support raising, school, and moving!! Lots to do. However, when the Lord is on your side, nothing is impossible! Pray we continue to feel rested.

Ready to Move!!
