

Sept 2025

Dear Family and Friends,

Hope this finds you all well and thriving in your walk with Jesus. Just a short update on our last Zambia trip and current happenings.

As always, our trip to Zambia was encouraging to our hearts and probably accomplished more in us than we did for Flying Mission. The project of changing all the flight control cables and pulleys in one of the planes went well and was completed, though took a little longer than most of us expected. We even had time to change a couple of seat rails in one of the other planes before we left.

One of the young guys, Nathan Kapitaniuk from Proclaim here in Worthington, was able to join us for the last two weeks and was a great help in getting things done.

Nathan and Lisa are looking at Flying Mission in Zambia as an option to join in the next year or so, so the visit was good for him, and FM, to get to know each other. There's a plan in the works to do another engine overhaul early next year, similar to the one we did in January this year, which would give an opportunity for Nathan's family to all go and see Flying Mission, and have a project as well!

One of the fun things Sue and I were able to do while we were there was go to the 100-year anniversary of Sakeji School ,the boarding school that I attended from 2nd to 8th grade. I was a student at the school's 50th and was able to go to the 75th in 2000, while we were working in Botswana, so was fun to be able to go to the 100th. All those numbers make me feel like I'm old! Not sure I'll make it to the 125th

and 6th grade teacher, Miss Deacon.

Overall, we are thankful to the Lord for where He has us and the good health He has given us to do what we feel He wants us to be doing. God is good, always has been and always will be, and that is the reason we can trust His sovereignty in our lives.

Thank you for your faithfulness in praying for us and the financial gifts that you have been so generous with. May the Lord bless you richly!

Your Fellow Servants in His work,

Joel and Sue
