

JUNE 2026

KYLE & GRACE WHITE

Another School Year Done!

It has now been two full years since God placed me at Moody Aviation to help train a new generation of missionary pilots.

The students that I began teaching in the summer of 2024 are now graduated and will be using their skills to serve the Lord in the areas He has called them to. Reflecting on the time I spent with each student, I am in awe of Christ's work in each of them, growing them in His ways and in their aviation skills to a point where they can now serve Him overseas.

This past term, I had the opportunity to teach brand-new piloting students and help them attain their private pilot licenses, then hopped in to support the graduating students in finishing up their commercial licenses. It has been a joy to grow in my precision and knowledge as an instructor by teaching students at different levels of their training.

Using our state-of-the-art simulator to teach & train.

Encouraged and Supported.

Our little boy, Daniel, was born on May 8th. I was able to stay home with him and Grace for a few weeks, and during that time we moved across town to a new home. Having both of these life transitions happen at the same time, while stressful, allowed me to see God take care of our physical and emotional needs in a new way. For example, He provided us two friends with moving trucks to help us move the big furniture in one go; and He provided us with generous, hard-working family who were willing to come visit, help move, and unpack in our new house.

We are also greatly encouraged by a few new additions to our support team, bringing us to 53% funded! We are praising Him for His continued love and provision and recognize that all we have comes from Him and belongs to Him for His purposes.

PRAYER

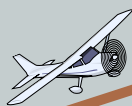

Now, we ask you, our support team, to continue your prayers for us. Specifically, that God would give Grace and me wisdom and peace in being new parents and keep our little boy healthy and growing well.

Please pray for us to hear God's direction in our ministry with teaching students at Moody and in the ways we contribute to our community and church family.

Finally, we ask for your prayer to petition the Lord for more monthly supporters so Grace is able to stay home more with Daniel when she plans to return to work in August.

Thank you so much for being a part of our team and we hope that you are encouraged by seeing how the Lord uses your generosity and prayers to further His kingdom.
