

SEPTEMBER 2025

KYLE & GRACE WHITE

Training the next generation.

Happy end of Summer from Grace and Kyle! We hope your summer has been wonderful and that you have been able to see God moving in you and your community.

We definitely have been so blessed by God this summer. Just last month we received the incredible news that we are having our first baby in April!!! We feel so blessed by the Lord and loved by our community as we enter this amazing new chapter in life.

With this joy also comes stress and anxiousness for what the future holds. But we have already seen, and felt, Jesus's calming presence as we face the unknown. I am reminded of all the ways God has showed up for Grace and me, and we know He will continue to support us. Please be praying that the baby and Grace will be in good health and for wisdom in welcoming this beautiful life into the world. Also pray we will be able to love this kid well, so they will know the Love of Jesus deeply throughout their life.

A new home.

In June we moved out of the basement where we have been living since our wedding two years ago (WOW! We celebrated two years of marriage last month!). We get to rent a lovely little home only a quarter mile away from Moody Aviation, and just a few minutes from Grace's new office, and in the middle of our church community. We have begun hosting people over to offer a place of fun, food, and rest. We are so excited to finally have a space of our own to show love and hospitality to people. And with it being so close to Moody, there are tons of students living in our neighborhood that we want to bless. Please pray for wisdom in how we use these things God has blessed us with to serve His purposes.

Grace has Graduated!

Aside from this incredible news, our summer has been very full! It kicked off with Grace graduating from her masters program in May and beginning to wait for her state licensing to come through. We got to celebrate by camping in the rainforest on the western side of Washington, which was so beautiful! Grace had a job lined up with clients patiently waiting to see her. Starting in August, she finally got her certification and began practicing. However, with a baby on the way it has been difficult to see as many clients as she was hoping. Please pray for her as she shows the love of Jesus through therapy.

Ministry at Moody Aviation.

I (Kyle) have had an absolute blast working with my students this summer! They have such great hearts for Jesus and are excited to join the mission field, where they will share the love of Jesus wherever they go while supporting missionaries doing incredible work for the Lord. One of my students experienced the impact of missionary pilots firsthand while he grew up in a remote village where his parents translated the bible into the people's language for the very first time. Seeing the passion in my students to join this work is exhilarating and motivates me to teach them as well as I can. While this is a work that I am blessed to be a part of and am very passionate about, it is also very exhausting and difficult. In Summer we work very long hours with few breaks. All of us, staff and students alike, can all use your prayer for endurance in this time of constant work.

Thank you to everyone who has partnered with us in prayer and finances for these past years and been a tangible reminder of God providing for His ministry.

Kyle & Grace

REACH OUT

As I am looking forward to the change of seasons with fall coming now, I thank God for His faithfulness in every season. In this new chapter of life I am hoping to see more people partner with us as we look to the future of parenthood and a new baby. Our current financial support has dropped to 63% since the last letter and I hope to get to 100% by the end of the year. Would you prayerfully consider joining our team financially if you are not already. The work God is doing here is so amazing and it is a unique way for you to join Him in this ministry as we seek to show His love in everything we do. And above all, we need prayer! Nothing can be done apart from Jesus and without Him moving, this ministry does not happen.
