Dear Family and Friends,

So many things can change in a week! It's Friday but Sunday is coming!! A week to remember the death and resurrection of Jesus!

I'm attending two funerals this week, one for Eileen Bender via internet (dear friend from my ladies Bible study group in Lusaka) and Ron Clason (Pastor of our Lusaka church for 1 year). Both loved the Lord and served Him, and now they will celebrate Easter in heaven! I am reminded again to appreciate the power and meaning of Jesus' resurrection!

We had a very good trip to Zambia in January and February! Joel was able to help with several larger maintenance projects on planes by day and ... then in the evenings we enjoyed good meals, good conversations, and times of encouragement with Flying Mission families! It's exciting to see the many ways the Lord uses Flying Mission and the individuals (pilots, engineers, wives, and the kids too) to help in so many opportunities to serve others in Jesus Name.

We have a new young couple who have joined us at Proclaim in Worthington. Josh and Natalie Schilinski, both grew up as missionary kids, Josh in Cameroon, and Natalie in Peru. They met at Liberty University, graduated in May of 23, got married in June of 23 and moved to Minnesota in January of 24! We're excited to have them here! Josh is a maintenance specialist and will be working in the hangar with Joel doing general maintenance. Their plan is to work here until Josh can get his Inspector's authorization (2 ½ years approximately) and then they would like to serve somewhere overseas.

Thanks again for your continued prayers and support! We feel blessed!
