

FALL 2025 THE FUN(G) UPDATE

AUSTIN, MICHAELA & ZOEY FUNG

GOD STORY:

One of Austin's old co-workers had a baby around the same time as us. Michaela has since been growing a friendship with her. Since this friend had her baby, she has been more open to God/religion. Her and Michaela are about to begin meeting weekly to go through a Bible study together. Please pray for this friend to come to know Jesus in a real, personal way!

BIG PRAISE REPORT!!

We are so excited to share that we have officially raised the required amount for Austin to begin working at Moody Aviation! We have been blown away by the generosity of our ministry partners and the provision of God in this season!

Austin officially started full-time at Moody Aviation! He was feeling anxious about starting this position, but He has been encouraged that God will be his strength in the areas he's feeling 'weak' (2 Corinthians 12).

On Tuesdays each week, the Moody Aviation students are split into small groups during chapel time. Austin was assigned a small group that he will be co-leading with another instructor. The small group has a mix of students from different years in the program. They are currently studying Thessalonians in the small group. Please pray for Austin as he grows in relationship with these guys and that God would show him which ones to really invest in.

Our family at the pumpkin patch this fall! We can hardly believe Zoey is already 6 months old! We are trying to soak up each month with her!

PRAYER REQUESTS

- Personal growth with God
- Our marriage
- For our dependence on God as we raise Zoey
- For Austin as he begins his full-time position at Moody Aviation and that God would show him which students to invest in during this time!

THANK YOU

We appreciate your prayers as Austin continues to pursue a career in mission aviation. We're excited to see how God continues to prepare us in this next season!
