

“The heavens declare the glory of God, and the sky above proclaims His handiwork”. Psalm 19:1

Dear Family and Friends,

July 2026

Just a quick “check in” to catch you up on our, and Proclaim’s, comings and goings. Summer has been busy with three new people joining our crew in Worthington the beginning of the year. Dana Frost and Nathan O’Connor are pilot/mechanics, getting experience and building flight hours for the next couple of years, and Jacob Estep who has joined us to help Proclaim in the media department. Josh and Natalie Schilinski, who have been with us for a little over two years, are heading to Peru with SAM Air and will be leaving the beginning of September. Hard to see them go, but that is what Proclaim is all about and it’s good to see young people going out serving the Lord. Nathan and Lisa Kapitaniuk have started application with Flying Mission Zambia and hope to be out there next year sometime.

Sue and I have been at the AirVenture airshow in Oshkosh, WI, for the last few days helping with manning the Proclaim booth in the missions tent and tomorrow, Saturday, will be heading to Zambia for a few weeks to help with the list of projects they have under my name on the white board, and well as trying to encourage them in any way we can.

Joel’s list: 1. Quantum MX –the main job is to install a new soft where system and organize the parts room accordingly. (We are taking 250 parts bins in our luggage this trip.) 2. Receiving parts. 3. CMS Fuel strainer relocation. 4. Aluminum baggage bulkhead for 9J-MFZ. 5. Repair CMS aft bulkhead. 6. Magneto/Alternator Tester. 7. 9J-MFZ Hinge installation. 8. 9J-CMA Pilot window hinge. 9. 9J-CMA Rear door hinge. 10. 9J-CMA change MLG. 11. ELT battery in 9J-KLM. 12. 9J-KLM gear pump cycles intermittently.

Please pray for our travels as we'll be going through Dubai, which thankfully hasn't been affected by the goings on in that part of the world too much.

Thanks again for all you do in praying for us and supporting us!

Yours in Christ,

Joel and Sue
