

Hello!

We are Nathan, Lisa and Sophie Kapitaniuk!

We currently live in Worthington, Minnesota, where we are missionaries in training with Proclaim Aviation.

Originally from France, Nathan moved to the US in 2016 to pursue aviation with the desire to serve God as a missionary Pilot/Mechanic overseas. Lisa followed in 2022, then Sophie in 2023 and her playmate will arrive, Lord willing, in February 2025!

During the 2 years with Proclaim, Nathan's primary focus is to get more flying experience, mainly by working as a CFI (Certified Flight Instructor) and helping with compassion flights (transportation to medical care, sex trafficking survivor relocation...). He will also be working as a mechanic to gain precious experience on piston engines. While here, we will be working on partnership development. We will also be connecting with the different mission organizations to find the right fit for our family. At the end of the 2 years, by August 2026, our objective is to be ready to join a mission organization to go overseas as a Pilot/Mechanic, fully equipped and with a strong team of partners backing us. May God be glorified, and His will be done!

Our training and ministry at Proclaim for the next 2 years is funded by partners made up of people like you.

We would love to connect and tell you more about partnering with our family! We send out a Newsletter every 3 months with more details about what God is doing in our lives and on how to pray for our training and ministry.
