Serving with Proclaim Aviation Ministries

Amazed by His Provision.

God completely blew me away with His provision during my time of support raising. I had the opportunity to meet with many people, share my story, and talk about mission aviation and Proclaim's role in equipping aviators for overseas ministry. It was also a meaningful season of reconnecting with old friends and building new relationships.

While my heart is tempted to take credit for reaching my support goal before I started at Proclaim, I know I can't. I really must give all

the credit and honor to God, because I know how overwhelmed and afraid I was at the beginning of the process. I'm grateful for the strength and courage He has grown in me, and for His provision of so many family members and friends willing and excited to invest in ministry at Proclaim!

Flying with one of my students!

Prayer

- Praise God for providing full financial, prayer, and encouragement support!
- Continue to pray that I will develop deep community in Worthington and specifically for wisdom in choosing a church community to invest in
- Pray that I will reflect the light of Christ to my passengers, coworkers, and two flight students!

Ministry Update.

I've been at Proclaim for about a month now and have stayed busy getting up to speed on operations and procedures. I've also begun instructing two students who are starting their private pilot training. Teaching is already proving to be a valuable challenge, helping me better articulate what I know while stepping fully into the responsibility of being the pilot in command (PIC). Without an instructor beside me, I now carry that role for my students. Please pray that I would be a confident, competent, and Christ-like instructor as I guide them through their training!

Me and my new housemate, Linda

Experience in a PC-12, a lil' bigger plane!

"Little did they dream, as they bound the fatal wood upon His shoulder, by whose power that tree was made to grow, and from whom the beings who bore Him to the death drew their existence. So completely was Jesus bent upon saving sinners by the sacrifice of Himself, He created the tree upon which He was to die, and nurtured from infancy the men who were to nail Him to the accursed wood. Oh the depth of Jesus's love to sinners!"

Octavius Winslow

May the Lord bless you more richly this Easter season, with a deeper and more profound awareness of His majestic and overwhelming love for His creation!

Thank you for your prayers,
encouragement, and financial support!
As always, I love to hear from you.
Feel free to reach out!

In Christ, *Dana Frost*
