

SUMMER 2025 THE FUN(G) UPDATE

AUSTIN, MICHAELA & ZOEY FUNG

Meet the newest Fung!

On April 5th, our daughter Zoey Ann Fung was born at 6:39pm, weighing 8lb 10oz. The last 3.5 months have flown by!

We decided it would be best for our family if Michaela didn't return to her job at Quantum. She now gets to stay home with Zoey full-time (while nannying a couple days per week)!

MINISTRY UPDATE!!!

Austin is officially complete with his training at Moody Aviation. He will now begin working for Proclaim Aviation Ministries. Proclaim's mission is to **equip** aviators with the skills and resources they need to fulfill their call to **serve** God and to **send** these laborers into the harvest. Through Proclaim Aviation, Austin will be serving as a flight instructor at Moody Aviation to help train the next generation of missionary pilots. He will be instructing the private pilot students and instrument flying students. This role will also include discipling his students.

Austin has committed to this position until January of 2028. This will allow Austin to gain more flight experience and will allow us to pay off a good chunk of our debt, as both of those things are the biggest roadblocks to us going overseas ourselves.

We will need to raise a budget of \$4,500/month before Austin can begin instructing. We are excited to begin meeting with people to build our team of ministry partners!

pictured left: Austin had the opportunity to take a week long mountain cross-country trip with his classmates in June. They flew the U206G through parts of Idaho, Montana and Wyoming!

PRAYER REQUESTS

- Personal growth with God
- Our marriage
- For our dependence on God as we raise our baby girl!
- That God would continue to provide all that we need as we raise financial support from partners like you!

THANK YOU

We appreciate your prayers as Austin continues to pursue a career in mission aviation. We're excited to see how God continues to prepare us in this next season!
