Dana's Prayer Letter

Serving with Proclaim Aviation Ministries

Dear Friends and Family,

Oshkosh begins next week! Oshkosh, WI hosts the biggest airshow in the world and I am attending with a team from Proclaim to represent not only Proclaim Aviation Ministries, but also the larger goal of missionary aviation as a whole, and ultimately Christ Himself. Please join me in praying for this week! Specifically, pray for:

- Meaningful and encouraging interactions—whether that is networking and getting to know the many other representatives of missionary aviation organizations there, or with the public, or with the rest of the Proclaim team.
- Endurance during long, hot summer days at the booth and walking around the airshow!
- Boldness in Proclaiming first and foremost what God has done—that I will continually seek the Lord and His wisdom in how and when and with whom to bring up gospel conversations.

I have never actually been to this event before and am very excited! When I'm not at the Proclaim booth I'll have free time to walk around and enjoy the airshow. I'm also looking forward to seeing friends who will be there representing Moody Aviation—friends from college who I haven't seen since I moved from Spokane!

If you also happen to be coming to Oshkosh make sure to stop by the IAMA (International Association of Missionary Aviation) tent and say hi!

Above: Sunset flight with a student

Bottom left: Another successful first solo!

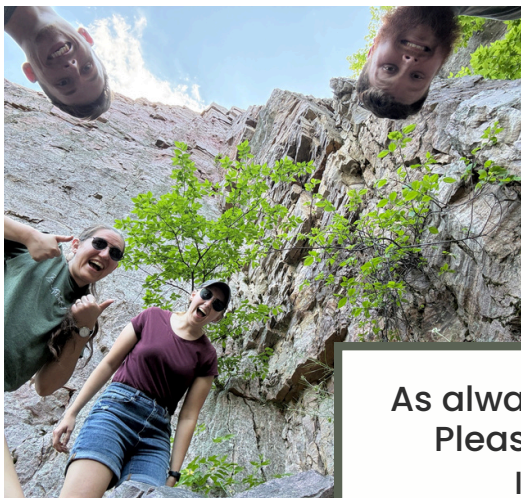

Here in Worthington, the summer has stayed filled with a lot of instruction—I have been working on getting two students through their Private Pilot Training before they leave for college (to pursue aviation as a career). One is super close to his Private Pilot License! Pray for him as he prepares for his test and me to have wisdom to know when he is ready.

Camping near Lake Superior with my siblings for the 4th of July

I've also enjoyed sweet time with friends, both new friends here in Minnesota and old friends and siblings who have come to visit! I have loved getting outdoors this summer and exploring this area of Southwest Minnesota.

As always, I love to hear from you!
Please feel free to reach out!
In Christ,

Dana Frost

Prayer

Praises:

- Student nearing his private pilot test!
- God's grace in providing friends (both old and new) and a beautiful world to explore

Requests:

- God-sent connections, meaningful conversations, and that I will be a faithful Christian witness to those I interact with next week at Oshkosh! The days will be long and exhausting, so also pray for endurance.
- Building community in my new church family

A very Midwestern experience—getting hailed on while hiking :-)
