DANA FROST

Serving with Proclaim
Aviation Ministries

Serving in missionary aviation.

God's steadfast provision.

I am over halfway through my time of partnership development, and I have already seen God's faithfulness to provide! Support raising definitely has its ups and downs—there are days that I come away really encouraged and marvel at how abundantly gracious our God is, and there are other days the task seems overwhelming. In the end that recognition of the immensity of the task before me drives me back to God as the only one who can truly accomplish it and who is my ultimate provider! I pray that you too have seen and marvel at God's gracious provision in your own life.

Meeting with Supporters!!

The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness. 'The Lord is my portion,' says my soul, 'therefore I will hope in him.'

Thank you.

Thanks to God's faithfulness, 67% of my total ministry support has been pledged, and 51% of the needed funds have already begun coming in.

Thank you so much to those of you who are already part of this. Please continue praying that the Lord would provide the remaining funds and lead me to the partners He is preparing. If you would like to partner financially as well, please see the giving links on the back.

Moving to the next step!

My sister came to Spokane to help me load all my belongings into my car—its poor struts were nearly fully compressed by the end! We then drove to Boise, Idaho, where we met the rest of my family and some close family friends to celebrate Christmas together. After Christmas, we continued on to Iowa, arriving at the end of December. I'll be here until mid-February, when I move to Worthington, Minnesota to begin my position with Proclaim Aviation Ministries.

New address.

Please note my address change. I am currently living with my parents in Iowa while support raising. I will move to Minnesota soon, so after February 15th send mail to: 2134 31st St, Fulda, MN 56131. My parents have no intentions of moving anytime soon, so if in doubt send mail to my parents' Iowa address and I will be sure to get it eventually!

praying.

Please join me in asking the Lord to provide the full financial monthly support I need to start work with Proclaim in February, and praise Him for how He has already shown His faithfulness in provision!

Pray that as I move to Worthington, MN I would be able to find community and develop meaningful friendships quickly.
